~~Phillip~~ Danya Keon Jackson
I moved to Durham, N.C. in 2006 with, my girlfriend, Danya Jackson who is my girlfriend to this day. I total my original vehicle which was a 1985 Mercedes Benz 300C while working for Circuit City. After receiving payments for that vehicle I purchased a 2001 Ford Escort EX2. I've been leasing that vehicle since I was taken off the Schedule at Circuit City. I could not file for unemployment because I was still on payroll for Circuit City. I was on payroll from May 07' to May 2009 before I was taken off.

I am the girlfriend of Phillip L Steele and I witnessed him working for Circuit City from May 2007 to May 2009. He was on the payroll for three months and they didn't work him or try to release him until May of 2009 so he could receive unemployment benefits. Mr. Steele was a dedicated worker who did not deserve this type of treatment. He was there for Circuit City even though Circuit City wasn't there for him. Thank you.
